

This Quick Start Guide provides information to help you start using WebAssign with Blackboard.

## 1 LOG IN

Some courses use both Blackboard and WebAssign. Your instructor linked the WebAssign and Blackboard courses so you can access WebAssign directly from Blackboard. Once the instructor syncs the Blackboard class roster, you are automatically enrolled in the WebAssign course.

**Note:** Ask your instructor if you are not sure whether your course uses Blackboard and WebAssign®.

- Log in to WebAssign using Blackboard**
1. Log in to Blackboard.
  2. Click the **Courses** tab.
  3. In the course menu, click **Tools**.
  4. Click either **Access WebAssign** or **WebAssign**.

## 2 PURCHASE ACCESS

WebAssign gives you free access for two weeks after the start of class. To continue using WebAssign after that, either enter an access code or purchase access online.

**Note:** An Access Code included with some textbooks verifies that you have already purchased WebAssign access.

- I have an access code**
1. Confirm your code is valid on the Access Card Prefix Check page.
  2. Log in to WebAssign.
  3. Select **enter an access code**.
  4. Select your access code prefix.
  5. Enter your access code and click **Continue**.
- I do not have an access code**
1. Log in to WebAssign.
  2. Select **purchase access online** and click **Continue**.
  3. Select items, confirm any license agreements, and click **Enter payment information**.
  4. In the PayPal page, provide your payment and contact information and click **Continue**.
  5. Review your order and click **Complete Purchase**.
  6. Close your receipt and start working in WebAssign.
